**Product description:**

Riff-Rocker for USB Guitar Game - Want to rock out but dont have a video game system or are on the go? Then check out the Riff-Rocker Guitar Controller for the popular free USB Guitar Game Frets on Fire which allows you to play guitar on your home computer or laptop! The Riff-Rocker plugs into any USB port and doesnt require any money or club to join. Just download Frets on Fire for free and hook-up the Riff-Rocker to start jammin on the guitar like those other popular guitar games for a fraction of the price! Also, the Riff-Rocker comes with 3 custom game plate stickers, so you can personalize your Riff-Rocker the way you want it! You can also stay as up-to-date as possible by downloading the latest new songs and mods for the best Frets on Fire experience with your Riff-Rocker! Once you master the Riff-Rocker and game, you can compose your own songs with the games built-in song editor. The Riff-Rocker works on both PCs and Macs. An internet connection is needed to play all internet charges are the responsibility of the user. For ages 5 years and up. Guitar is approx. 6.5
